About.html

The screenshot shows a web browser window with the URL localhost/G05_CSE211_FinalProject/Part2_Website_Project/pages/about.html. The page has a dark blue header with navigation links: Home, Events, Register, Budget Calculator, Contact, About, and a user profile for 'eslam elghannam'. Below the header, the breadcrumb navigation shows 'Home > About'. The main content area features a section titled 'About EventsX' in bold blue text. Underneath it, the 'Our Mission' section contains a paragraph about connecting Egyptians with events. The 'What We Offer' section lists four bullet points: 'Comprehensive event listings across Egypt', 'Easy online registration for events', 'Budget planning tools for event organizers', and 'Search and filtering to find perfect events'.

This screenshot is identical to the one above, showing the same web browser interface and content for the 'About' page of the EventsX website. The URL is again localhost/G05_CSE211_FinalProject/Part2_Website_Project/pages/about.html. The layout, header links, and content sections ('About EventsX', 'Our Mission', 'What We Offer') are all the same.
